#### **1. The Rainbow and the Goodness of God**

In the First Reading, God gives Noah the rainbow as a reassuring sign of  
his goodness: God will never again do what he has just done. God will  
never again destroy everything with a flood.

But why isn't it bad enough that God did it once? God brought it about  
that every human being, except for Noah and his small family, died by  
drowning in one great natural catastrophe. Where is the goodness of  
God in the story of the flood?

Well, here is one way to think about God's action.

The boat is always there, in Christ, who saves all those who do not reject  
him.

Consider the medical treatment for certain fatal cancers. For those  
deadly diseases, doctors can try to save the patient with an autologous  
bone marrow transplant. The doctor takes bone marrow from the patient  
and hunts for any cells that are not cancerous. He saves those healthy  
cells, but he kills the cancerous ones. Then he clones the healthy cells  
and puts them back into the patient. By this painful measure, there is a  
chance that the doctor can save the life of his patient.

In the story of the flood, God tries the analogue of this same procedure  
on the human race, doomed to die because of sin. God takes a few  
morally healthy human beings and puts them into a new world, to  
reproduce there. The morally sick and destructive population of the old  
world dies in God's flood.

But, you might think, what dies in the treatment for cancer is only cells.  
What died in the flood is human beings!

True, but notice this other difference between the medical treatment and  
the flood. In the flood, the selection between the sick and the healthy  
people is made by the people themselves. Those who aren't on Noah's  
boat don't want to be on it. To get on the boat, they would have to  
acknowledge their sins and accept God's means to safety. They would  
be among the healthy, the righteous invited on the boat, if they repented.  
But this is what they refuse to do.

The boat is there for those who don't refuse it. And, as the Gospel reading makes plain, that boat is always there, in Christ, who saves all those who do not reject him.

And so the rainbow *is* a sign of the goodness of God, who calls everyone to salvation.

## **2. The Season of Lent**

We have begun the Season of Lent with the distribution of ashes at the Masses last Wednesday, Ash Wednesday.

Lent is a time for us to have a "change of heart" to turn around and return to the Lord who loves us. Lent is a time for repentance. Though we may not have become totally alienated from the church community, we have done things that betray our baptismal commitment to live as Christ for the world. Repentance is more than feeling guilt. The Greek word "Metanoia" (repent, change your mind) means to change direction. So, repentance must be a more radical change in our lives than merely saying, "I'm not perfect.

Lent is asking us to look closely at our lives and the influences upon me that draws me away from Jesus and the Church. We must turn from those areas that lead me away from the Lord and turn back to Him. We cannot receive "the ashes", but only attend weekend Masses, irregularly, or at Christmas and funerals.

We have to look at our attitude to our neighbour whether it be within the family, extended family or the family down the street.

We have to receive the Sacrament of Confession as a minimum yearly, but more often is recommended. We have to believe that Jesus Christ and the Church He established is my Good News and Good News for our world.

Receiving the ashes reminds us of our impermanence in this world and that life after this world is for eternity, so we change/repent for eternity. The Church during the Season of Lent is saying to us: "We don't have time to delay." Time is short so let us come back to Jesus, Our Saviour.

Lent is a time for prayer, fasting and self-denial as we prepare for the passion, suffering and death of Our Saviour Jesus Christ.

Days of Penance:

1. Abstinance from meat, and fasting, **must** be observed on Ash Wednesday and Good Friday. All who have completed their eighteenth year and have not begun their sixtieth year are bound to fast. All who have completed their fourteenth year are bound to abstain.
2. On all other Fridays of the year including Fridays of Lent, the law of the common practice of penance is fulfilled by performing **any one** of the following:

- (a) Prayer-for example, Mass attendance; family prayer; a visit to a church or chapel; reading the Bible; making the Stations of the Cross; praying the rosary.
- (b) Self-denial - for example, not eating sweets or dessert; giving up entertainment to spend time with the family; limiting food and drink so as to give to the poor of one's own country.
- (c) Helping others-for example, special attention to someone who is poor, sick, elderly, lonely or overburdened.

## **Days of Penance**

**Lent lasts from Ash Wednesday (14 February) to the Mass of the Lord's Supper (29 March). On Good Friday and, if possible, also on Holy Saturday until the Easter Vigil, the Easter Fast is observed.**

## **Paschal Precept**

Each of the faithful is obliged to receive Holy Communion at least once a year. This is to be done between Ash Wednesday, 14 February, and Trinity Sunday, 27 May 2018 unless for a good reason it is done at another time during the year. All the faithful are obliged to confess their grave sins at least once a year.

## **3. Stations of the Cross**

During Lent, the Stations of the Cross will follow the Friday 9am Mass.

Parishioners are invited to attend Mass and Stations of the Cross as a worthy penance to perform during this season of Lent.

## **4. Liturgy News**

We are in need of readers for the Masses and I invite parishioners to consider being an Extraordinary Minister of the Eucharist, to accept this ministry we do need to attend Mass on a weekly basis (unless sick etc).

We also need more Altar Servers.

Please complete forms on the back table if you are interested.

## **5. Parish Finance Committee**

Members of the Finance committee are asked to attend the first Finance Meeting for 2018 on Wednesday March 7 at 7.30 pm in the presbytery.

May God Bless you.

Fr Bob

## POPE FRANCIS COLUMN

### Pope Francis Ash Wednesday Homily

The season of Lent is a favourable time to remedy the dissonant chords of our Christian life and to receive the ever new, joyful and hope-filled proclamation of the Lord's Passover. The Church in her maternal wisdom invites us to pay special attention to anything that could dampen or even corrode our believing heart.

We are subject to numerous temptations. Each of us knows the difficulties we have to face. And it is sad to note that, when faced with the ever-varying circumstances of our daily lives, there are voices raised that take advantage of pain and uncertainty; the only thing they aim to do is sow distrust. If the fruit of faith is charity – as Mother Teresa often used to say – then the fruit of distrust is apathy and resignation. Distrust, apathy and resignation: these are demons that deaden and paralyze the soul of a believing people.

Lent is the ideal time to unmask these and other temptations, to allow our hearts to beat once more in tune with the vibrant heart of Jesus. The whole of the Lenten season is imbued with this conviction, which we could say is echoed by three words offered to us in order to rekindle the heart of the believer: pause, see and return.

Pause a little, leave behind the unrest and commotion that fill the soul with bitter feelings which never get us anywhere. Pause from this compulsion to a fast-paced life that scatters, divides and ultimately destroys time with family, with friends, with children, with grandparents, and time as a gift... time with God.

Pause for a little while, refrain from the need to show off and be seen by all, to continually appear on the "noticeboard" that makes us forget the value of intimacy and recollection.

Pause for a little while, refrain from haughty looks, from fleeting and pejorative comments that arise from forgetting tenderness, compassion and reverence for the encounter with others, particularly those who are vulnerable, hurt and even immersed in sin and error.

Pause for a little while, refrain from the urge to want to control everything, know everything, destroy everything; this comes from overlooking gratitude for the gift of life and all the good we receive. Pause for a little while, refrain from the deafening noise that weakens and confuses our hearing, that makes us forget the fruitful and creative power of silence.

Pause for a little while, refrain from the attitude which promotes sterile and unproductive thoughts that arise from isolation and self-pity, and that cause us to forget going out to encounter others to share their burdens and suffering.

Pause for a little while, refrain from the emptiness of everything that is instantaneous, momentary and fleeting, that deprives us of our roots, our ties, of the value of continuity and the awareness of our ongoing journey.

Pause in order to look and contemplate!
